EXECUTIVE SUMMARY

Business Capabilities & Registered Operations

Prepared by REX – Regional Exports & Services | October 2026

01 — COMPANY OVERVIEW

Regional Exports & Services (REX) is a registered Vietnamese limited liability company headquartered in Hanoi, Vietnam. Founded and directed by Ryan Brennan (Canadian national), REX operates as an international trade facilitation and sourcing company connecting producers, manufacturers, and buyers across Asia, Australia, and Canada.

REX's mission is captured in its tagline: "Find Your Source" — a commitment to reliable supply chain access, trusted commercial relationships, and practical business outcomes for international clients and partners.

02 — CORE CAPABILITIES

Sales Agency & Trade Representation — Appointed sales agent for Asian manufacturers and producers reaching international buyers — representing local factories to markets in Australia, Canada, and beyond. Inbound representation also available for international producers entering Asian markets. Active sectors: food products, building materials, and construction.

Sourcing & Supplier Qualification — End-to-end sourcing of Vietnamese manufactured goods for export. Factory verification, product sampling, price negotiation, and MOQ coordination.

Export Logistics Coordination — Management of freight forwarding, customs documentation, Incoterms structuring, and last-mile coordination for shipments to Australia, Canada, and wider Asia-Pacific.

B2B Buyer–Supplier Matching — Structured introduction service connecting international buyers with pre-qualified Vietnamese factories. Includes supplier audits, market research, and deal facilitation.

Market Intelligence & Advisory — Trade analysis, market entry research, and commercial consulting. Supporting businesses entering Vietnamese sourcing markets or expanding into Asia.

Business Support Services — Administrative support, marketing coordination, trade event facilitation, and operational assistance for international businesses operating in or with Vietnam.

03 — REGISTERED & AUTHORISED IN VIETNAM

REX holds 18 registered business activity codes (VSIC) with the Hanoi Department of Finance, as documented in its Enterprise Registration Certificate. These authorisations cover the full scope of REX's trade, logistics, consulting, and digital service activities — providing partners and clients with full confidence that REX is legally compliant and authorised to operate across all stated business lines.
